2017-2018
Reason for selecting practical nursing as a career:

Please write a short essay on selecting practical nursing as a career. Tell us why you chose to apply at Southern Tech and what your future plans are.
Statement of Understanding

Program Admission Procedures & Program Delivery Method
I have received and understand the admissions procedures for the nursing program. I also understand Southern Tech’s PN program is flexible scheduling/independent study, and is not a traditional classroom lecture setting.

Admissions with Advanced Standing
The definition of Admission with Advanced Standing is: “The evaluation of an individual’s previous education experience and the application of such experience to the requirements of specific instructional area within a program of study.”

An applicant seeking Admission with Advanced Standing will be evaluated according to the following consideration:

- Each applicant must meet all general admission requirements for the Practical Nursing Program, (see admissions policy).
- Coursework submitted for advanced standing will not be approved if greater than five (5) years old.
- An applicant may be granted Advanced Standing for corresponding coursework completed at Southern Tech or another Technology Center, College, or University provided that a grade of a “C” or above was obtained.
- Challenge exams and skills competencies may be required when previous coursework doesn’t evenly correlate with Southern Tech’s Practical Nursing curriculum.
- Applicants seeking admission as a transfer student from another practical nursing and/or RN program must provide a letter of recommendation from the Coordinator/Director/ or Dean of the previous nursing program stating that the student was in good standing with that school at the time of withdrawal.
- Official transcripts from previous schools must be provided. Syllabi, course catalogs, and clinical schedules may be requested.

*It is important to keep in mind that students with transfer credit/advanced standing will not spend as much time in the program and this could affect the amount of financial assistance received.

Please select the following:

1. I am applying for advanced credit and have included transcripts and course syllabus. ☐Yes ☐No
2. I am applying for transfer credit and have included transcripts and course syllabus and a letter of recommendation. ☐Yes ☐No
3. If space is not available for the course(s) that qualify for advanced credit:

These cases are considered on an individual basis at the time application for licensure is made, with the exception of felony convictions.
