

GAINFUL EMPLOYMENT DISCLOSURE – 2019

PROGRAM
Computer Aided Design - Mechanical
LENGTH
This program is designed to be completed in 1050 clock hours and 39 weeks.
COST
This program will cost \$2,650 if completed within normal time. There may be additional costs for living expenses. These costs were accurate at the time of posting, but may have changed.
DEBT
Southern Tech does not participate in any public or private loans. The typical graduate leaves with \$0.00 debt.
GRADUATION
Fewer than 10 students completed this program within normal time. This number has been withheld to preserve the confidentiality of students.
LICENSURE REQUIREMENTS
Oklahoma does not have licensure requirements for this profession.
POST GRADUATION INFORMATION
For information about graduation rates, loan repayment rates, and post-enrollment earnings about this institution and other postsecondary institutions, please visit https://collegescorecard.ed.gov/ .
ADDITIONAL INFORMATION
Grants and Scholarships are available for qualified students who complete the Free Application for Federal Student Aid. Costs include tuition, fees, books and supplies. The cost provided is the in-district rate for full time students in post-secondary programs of 600 or more hours. The cost and completion time will depend upon the student's residence and enrollment status. Please visit our web site, www.sotech.edu , or contact our Student Services Department, 580-223-2070, for further information and assistance.
