**SouthernTech’s school calendar may differ somewhat from the high school student’s home school calendar. Students are expected to be in attendance at SouthernTech any day that classes are in session. High school students are also expected to comply with the attendance policies of their home schools. In the event that a student’s home school is closed but SouthernTech is not, the student will be expected to be in attendance at SouthernTech. The buses will follow the normal route schedule whenever Southern Tech is in session. (Policy EG)
